This month we're over the moon to welcome back Ree Petra with open arms, it feels like an eternity since we last saw her in Mayfair. And we've got a few of your other favourites too! Let's start with Welsh beauty Emma Green, showing off her ample assets like only she knows how. Stacey Saran does what she does best too, taking her clothes off and getting you to stand to attention! Now, let's move on to Nina Leigh, she's never been shy of being a bit controversial, we'll let you decide if you think she's over-stepped the mark! Anyway, I hope you have fun, because we did!

Dirty minded? Good, then you sound just like our type! Why not drop us an email and tell us what's been ringing your bell this month – or otherwise – you can just send us a little message telling us how much you love the magazine!?

E-MAIL CONTACT@PAULRAYMONDMEDIA.COM

Dear Mayfair,

I'm a 19-year-old brunette, with a slim figure and a nice pair of tits. I'd never seen the attraction of having sex with an older man until I had a fling with Adam, my best friend's father. My affair began when he ran me home, late one evening.

I could tell from the way he looked at me, and ogled my breasts, that he had the hots for me. I ended up sucking his cock in his car, just yards from my front door. Adam moaned as I sucked his throbbing dick and made him shoot his sticky, messy come down my throat. Just over a week later, on a Saturday, I'd finished my half-day shift at the building society where I work and was waiting at the bus stop.

Adam pulled up in his car and offered me a lift but we didn't get near my house, ending up back at his place. In bed, I was naked except for my black stockings and stilettoes, as I rode his thick shaft. I stroked my clit and he squeezed my tits as I bounced on his prick until he filled my cunt with hot, creamy spunk.

Afterwards, he told me he'd almost forgotten how tight a girl's fanny could be!

Our riskiest romp, however, happened after me and my mate had enjoyed a night out clubbing.

My mate had got a bit worse for wear so I helped her out of the cab and took her up to her room.

As soon as she hit the pillow, she was out for the count, and Adam's cock was soon sliding in and out of my pussy. I couldn't believe I was getting a good shafting from my mate's dad as she was asleep in the next room, but that didn't stop me from making him come all over me!

Jane, Glasgow.

"I stroked my clit and he squeezed my tits as I bounced on his prick until he filled my cunt with hot, creamy spunk."

Dear Mayfair,

I just had to write and tell you about my fantasy with a random girl and some guys on a plane.

She's flying first class, it's empty except for her and two guys. She orders champagne and, when I bring it, she pulls down her top and tells me to pour it over her incredible tits and then lick it off. As I feel her nipples hardening between my lips, she slides her hand up under my skirt and begins to finger my moist, shaven slit. By now, both guys are steadily wanking as they watch us play.

Producing a big black strap-on, she's soon fucking my succulent pussy to a series of incredible, mind-blowing orgasms. By now the guys can hardly restrain themselves.

Then we change positions. She tells me to fuck her up the arse. As I do so, I reach down and discover her pussy is stuffed full of love balls.

As I fuck her arse, I gently ease them out while she pours the last of the champagne over the guy's cocks and licks it off. As they beg for relief, her soft pink lips and warm, skilled tongue only make them more aroused.

Pulling out the final love ball, I thrust the dildo in her cunt and fuck her with it until she climaxes.

As I withdraw, the two guys fill her dilated holes, their big, thick cocks pumping in and out like a couple of well-oiled pistons while I thrust my pussy in her face and let her eat me out.

Finally, the two guys wank themselves to a much-needed climax, spraying her massive tits with their spunk. Then I kneel down and lick it all off before giving her a passionate jizz kiss.

Sonjia, Heathrow

Dear Mayfair,

Thank you so much for last month's photo shoot of Emma Green. I will never tire of seeing her stripped back to her natural beauty. Having bought all of the magazines that she's appeared in it's clear that she has no bi-sexual tenancies so meeting up with her and having a passionate night of love making with her is just a pipe dream. Seeing her bent over is the most erotic thing I've ever seen. I'd love to part her arse cheeks and work my tongue up from her clit all the way to rimming her bum hole!

Gayle, Exeter

Hi Gayle, I'm pretty sure that's the same dream that all of our male readers have too!

Dear Mayfair,

I've recently signed up for www.paulraymond.xxx, and I've got to say that the videos on there are some of the horniest things I've seen in a long time! I love watching Chloe Toy's videos, her pussy, it's so inviting – I just want to kneel down between her legs and suck and chew on her lips until her snatch is nice and wet, and then I would spread them apart with my fingers while I licked her cunt.

Dear Mayfair,

Wow, it seems like ages since you last had Ree Petra in the magazine and you went and put her on the front cover too. I've always been a fan of big breasts and Ree's are off the scale. You just can't stop staring at them, but then you catch her eyes and then you're even more mesmerised. I often imagine fucking her whilst staring into them! And please carry on with the sexy lingerie too, not that any of your girls need any extra spice though!

Alan, Inverness.

Dear Alan, sexy lingerie is what we're all about so that will keep on coming, along with the hot naked girls that it's attached to! Ree has been a very hard lady to track down, but we were over the moon when she gave us the green light for a photo shoot. She pinky-promises that she'll be back again soon. Although she has gone off radar since!

"I'd slip my length into her pussy and start to pump good and hard, from behind, bouncing against her arse and forcing her to yelp in pleasure with each and every thrust."

dipping my tongue as deep into her pussy as it will go.

She'd moan and grab my hair, forcing my face into her as she bucks and writhes against me.

Then I'd know that it was time for me to get off my knees and open my trousers. She'd pull my hands from my belt and yank my jeans to the floor, taking my prick in her mouth and holding on to my balls. I would just stand there, enjoying the sight of her bobbing back and forth on my cock, covering my shaft in her ruby red lipstick.

But I wouldn't come on her face, I'd pull my prick from between her lips before she brought me off and then get her to turn around. Slapping her butt cheeks, I'd slip my length into her pussy and start to pump good and hard, from behind, bouncing against her arse and forcing her to yelp in pleasure with each thrust.

Then, after I'd made her mad for it, I'd pull out and get her to take off her top and give me a face full of her little tits. I'd suck on them and squeeze them and then she'd kneel down and try and wrap them round my cock, letting me fuck them as she fingered her cunt and talked dirty to me: "Go on Terry, fuck my tits, shoot your come all over my boobs. I want to lick your semen off my nipples while you rub your cock around my mouth," she'd say, and this would make me empty my balls all over her.

She'd clean my cock off with her tongue and then I would finish her off, letting her sit on my face and use my tongue until she'd covered my face in her sticky mess.

Well, I've got a throbbing hard on now and must go and wank off all over the website! Thanks!

Terry, Biggleswade

"I peeled her sodden dress up over her arse and pressed my hard helmet against her delectable oriental bumhole. Applying a gentle pressure, I slid into the smoothest, silkiest, creamiest arse imaginable."

Dear Mayfair,

I've just returned from a conference on colonialism in Indo- China, held in Hué, the ancient capital of Vietnam. One lecture, given by a gorgeous Vietnamese was entitled France, Vietnam and Sex.

She explained that Vietnam had a long tradition of anal sex which dated back to the concubines at the court of Nguyen emperors who, each morning, prepared and anointed their arses for intercourse and were trained in the ways and arts of anal penetration. She described how, when the French colonised Vietnam, they discovered that not only was a long, languid arse fuck ideally suited to the hot and humid conditions, but that the tight Vietnamese arse was perfectly proportioned to give the European cock the most intense and satisfying sexual pleasure imaginable.

Consequently, the French took anal sex back to France where it still remains extremely popular today.

As she talked, virtually every guy in the audience was masturbating. I resisted until I noticed that the gorgeous blonde sitting in front of me was gently and teasingly jerking off the two guys she was sitting between. As they pumped their come all over her fingers, I creamed my underpants like some horny voyeur.

That afternoon, as I visited Hué's ancient citadel, I bumped into the lecturer and we got talking. As we walked, it began to rain steadily so that, by the time we reached the cover of a pagoda in a secluded part of the site, her silk dress was sticking to her body, exposing her pert tits and sensational arse.

When she told me that, like the concubines, she too prepared her

AMY

We could never get bored of Amy Green over here at Mayfair Magazine, especially when she's wearing a sexy pair of stockings! We can only imagine what it would be like to get in bed with her and spread those 'stocking covered' legs wide open. "So, you'd like to slide your dick in between my legs would you? Well, it's not that simple, you've got to wine and dine me first and whisper sweet nothings in my ear before I let you get deep up inside me! But first I'd like you to explore me all over with your fingers and tongue!" This sounds like a mission that we are more than happy to accept and explore! And we're sure we're not the only ones up for a go either!

arse every morning for sex, I was beside myself with excitement.

As she lent on a small wall around the pagoda, I peeled her sodden dress up over her arse and pressed my hard helmet against her delectable oriental bumhole. Applying a gentle pressure, I slid into the smoothest, silkiest, creamiest arse imaginable.

As she slowly moved her lubricated arse up and down my aching shaft, she contracted and relaxed her arse muscles in pulses and waves that sent a burst of indescribable pleasure coursing through my body.

Time and again, she brought me to the point of orgasm without administering relief so that, when she did finally bring me off, I filled her arse to overflowing with hot, sticky come. We spent the whole afternoon indulging in anal sex in a plethora of positions and, after each orgasm, my teacher would use her arse muscles to wank me back to full hardness.

That morning, I had been an anal sex novice but now I had been inducted into its delights.

Since returning to the UK, I've only seen tight arses in your magazines. Just thinking about how much pleasure I could give them by fucking their gorgeous arse makes me so fucking horny for that afternoon in Hué. I would love to teach all of them what I learnt that day.

Peter, Cambridge

Dear Mayfair,

Nun's the word hey! If only Nina Leigh were cast in Whoopi Goldberg's role as Sister Mary Clarence in Sister Act 1 & 2, now that would have made a great movie that we would all want to watch! But I can't help to think that you have pushed it a bit too far putting an adult star in a nun's habit. I guess if there is anyone who is truly offended by this then they may very well be finding themselves in quite a long queue the next time they go to the confessional box!

Ben, Email.

Dear Ben, we always like to keep things exciting, hence the fact that you felt the need the need to email us! Maybe we'll keep it a bit more PC and hook one of the models up in a Wonder Woman outfit next time!

(please email your 'complaints' to contact@paulraymondmedia.com)!

Dear Mayfair,

The other day my wife came home early and caught me wanking over last month's issue of Mayfair. At first, I thought she was going to hit the roof, as she'd caught me wanking over a magazine a few years back. But this time she was quite turned on! She asked me not to stop and came and sat next to me. I was wanking over Ree Petra's pictures. My wife looked at the mag and then began to undress. Then she got on the floor and started copying some of her poses, spreading her legs wide and looking at me over her shoulder.

"Is this what you like?" she asked, and I just had to get in behind her and fuck her, but she stopped me and said that I could only wank. That I could touch her but I couldn't fuck her. I rubbed my hand over her pussy and slid my dick round her arse cheeks. "Come on, why don't you come on my arse?" she said, smiling the most sexy smile I've ever seen on her face. And so I let her have it, I covered her arse with my come, making sure that I got plenty of it on her ring. The first splash that landed there made her ring piece contract and that made me shoot even more onto her arsehole.

"Rub it in with your cock," she said as my jizz dribbled down her arse and onto her pussy. I rubbed my dick against her arse and cunt until I was empty and then she rolled over and used my come to wank herself off with. We spent the rest of the night fucking in many different positions.

Dave, Scunthorpe

Ella Mai

Ella loves having sex! "Oh yeah, definitely!" she enthuses. "Especially in the shower! The first time I ever did it was on holiday in Greece a few years back. The apartment had an amazing bathroom, and as soon as we saw it my boyfriend of the time and me looked at each other and – almost without saying anything – knew that we'd be 'christening' it before too long!" We know what you mean – so what happened next? "Well first we went down to the pool to unwind after the journey and have a few drinks, but I was so horny we'd only had a couple before we were scampering back up to the room. As soon as we were indoors I peeled off, jumped in the shower, and started poking my bum at him provocatively. It wasn't long before he joined me!" Well, we should think not – we'd be in there in a shot!

DAISY

It's been quite a year for Daisy Mae, from making her debut on the front cover of one of our Club International Online Specials to popping up in Men Only just several issues ago. Well, it looks like she's trying to get around as much as possible and she's really hit the jackpot in this month's issue of Mayfair! "I take offence to you suggesting that I'm getting around as much as possible, like I'm working my way around the block or something, I never put out on the first date, I'm a good girl!" Daisy trys to convince us with a grin on her face. Yes, we believe you, and good girls always just happen to find themselves on multiple covers of Paul Raymond magazines don't they? "Alright smarty pants, but I am a good girl, really!

ADELE

Pop-pickers will be well aware that Adele's all the rage at the moment, and while we're definitely fans of the North London songstress as much as the next man, sadly she only comes second in our list of favourite Adele's – on account of Adele Taylor here! "Aw, that's lovely of you to say so!" beams our Adele. "Sadly I don't quite have as many fans as that other Adele just yet, but I'm working on it!" Well, we're sure you'll attract plenty more with these piccies!

CHESSIE

Brighton's noted for the number of people who flock to enjoy themselves at the front, but it looks like Brighton's got rather more front than anyone had ever imagined, courtesy of Chessie Kay and her fabulous funbags! So, what's with all the boobage, Chessie? "Oh, I love them! Having big tits gives me so much power over guys – I can have them eating out of my hand in no time and then – well, I can take all sorts of advantage of them!"

I'm a fairly average bloke in most ways, but lucky enough to be fairly good looking and popular with the birds. I usually score when I make the effort. I don't usually fall for a bird straight off, but two weeks ago on Saturday at a club I met Lorraine, who is a total stunner. I couldn't take my eyes off her.

Not only was she hot-looking, but Lorraine was really flirtatious, and I was thrilled when she singled me out. We danced closely, our bodies pressed together on the dancefloor, and pretty soon we progressed to lightly groping each other.

We decided to leave the club early. I'd found it hard to locate a parking space that night, so we had a fairly long walk back to the car. When we took a shortcut through the back lanes, however, Lorraine surprised me by grabbing my arm and tugging me into the shadows.

In the gloom I clasped her head between my palms, kissing her hard as her hands slid down to the front of my jeans and went straight for my cock. Removing my hands from the sides of her gorgeous face, she slid out of my arms and went down into a squat, tugging urgently at my belt, unzipping me and freeing my swollen, rigid cock with a sigh of pleasure. Gripping it firmly, Lorraine began licking, sucking and lapping at my throbbing cockhead as though it was an ice-cream cone.

I twisted my fingers gently in her hair, watching my member sliding between her red lips in the dim glow of a faraway lamp-post. She took me deeply, almost swallowing my whole shaft, her throat constricting tightly around the sensitive, throbbing head.

Letting my cock slip from between her lips, Lorraine licked my balls before sucking the edges of my sac into her warm, moist mouth. The contrast of cold night air and warm lips sent tingles through my groin, and I gasped and shuddered and tried to stop myself from coming. Eventually, fearing I would lose the battle and pop my load, I clutched her by the armpits and hauled her to her feet.

She fell on me again but by now she was like a feral cat, nipping my bottom lip with her teeth and clawing at the buttons on my shirt. I managed to clasp her wrists in one hand, holding them above her head as I pushed her roughly against the nearest wall and hurriedly undid the buttons on her coat. In the dim light I could see her mouth parted and her chest rising and falling rapidly.

Desperate to feel her bare skin, I tugged her top open and

> "Her juices dripped slickly down my shaft, I was slamming her like a lunatic, my thighs slapping against her skin with each thrust."

jerked her bra roughly down, tearing the fabric slightly as I exposed one perfectly rounded, firm breast to the night air. The stiff nipple stood out darkly against her pale skin.

Bending slightly, I sucked her sensitive flesh into my mouth, making her groan as I rolled my tongue around the erect peak, sucking and nipping until she was writhing with need.

At the same time I ran my palm up the inside of her thigh, excited to discover that she wasn't wearing panties and that she was smoothly shaven down below.

Lorraine was so wet that my fingers slipped easily inside. I felt her spasm as her cunt muscles gripped and held my fingers. Rolling the pad of my thumb slowly around her clitoris, I smiled as she tossed her head back and moaned. Then, plunging two fingers inside, I finger-fucked her until her juices trickled down my wrist. Stroking rhythmically at her clitoris, I felt the spasms increasing, and finally her head jerked back. Wide-eyed and open-mouthed, she bucked on my hand as I frigged and finger-banged her to two orgasms in close succession.

I pressed her hard against the stone wall. She was begging me to fuck her now and I nudged my knee between her thighs, forcing her legs further apart. Pulling her skirt up, I exposed her beautiful, round arse and steered my cock to the slippery cleft between her legs. With a jerk she pressed back against me, taking all of my throbbing length

inside her all at once with a groan.

The sound of approaching footsteps echoing on the pavement made me hesitate, but I thought quickly and, without removing my cock from her, I shuffled her sideways alongside the wall for a few feet, going a little deeper into the shadows and sheltering Lorraine from view with my back. I let out a sigh of relief as the person passed close by, unaware of our presence.

My cock throbbed and ached inside her.

The effort of remaining still and silent had been pure torture and I didn't waste another second in starting to pump her tight little fanny for all I was worth. Her hot juices dripped slickly down my shaft, and even as the footsteps faded away I was slamming her like a lunatic, my thighs slapping against her skin with each, deep thrust. When I paused to catch my breath she demanded I keep going.

Laughing at her frustration, I pulled out, knelt down and began lapping the juices from her hot pussy. Rubbing my finger around her tight little anus I felt it tighten reflexively. Then, turning her around to face the wall and smearing my fingers with her juices, I began to ease two then three of them inside her arsehole. Lorraine braced herself, leaning forward, arms outstretched, with her palms against the wall. Gradually I felt her sphincter muscles beginning to relax and I knew she was totally ready.

Standing up, I grasped my cock and pressed the helmet against her widened bum-hole. The slippery rim gave way abruptly, sucking me inside. She gasped as I plunged deeper, her ring so tight around me that I had to close my eyes to stop myself from shooting.

I moved again, drawing slowly back until only the head of my cock was inside her. She panted, unable to do more than groan and stand spread-eagled against the wall with her skirt around her hips.

I started plunging rhythmically into her, my cock wet with her juice and grunting with each smacking thrust of skin on skin.

> "I began to finger his rim as I gobbled his cock making him moan, letting me know that he was thoroughly enjoying my oral efforts."

I cried out when I came and withdrew almost immediately, shuddering intensely as my spunk ran back out and trickled down between her bum-cheeks. I held her tightly against me as we both gasped for air and listened for any more footsteps.

Little Paul, Adlington MF

My girlfriend, Anna, is a dirty slut when it comes to sex and knows that the more outrageous her behaviour, the more turned on I get.

She is 22 years old and has curves in all the right places, which, when encased in some sexy little number from her wardrobe, leave little to the imagination, and it's not just me who reaps the benefit when Anna is in the mood to fuck.

We have always had a fairly open relationship, and I have let her have the odd fling now and again as, to be honest, I love hearing all the filthy details of what she got up to with a guy, especially when I'm plunging my own cock inside her pussy.

Last month, though, we decided on a new game that had my dick rigid just talking about it.

Basically, Anna had met this guy in a pub while out with her mates and she wanted to screw him.

The bonus for me was that she actually wanted me to watch them shag without the bloke knowing anything about it.

We spent ages wandering around my flat trying to work out the best way of achieving our plan and finally settled on Anna doing the dirty deed in the small glass conservatory attached to the back of the flat, as I could see everything from the unlit kitchen and no-one would be any the wiser.

The evening for her performance arrived and I watched her leave on her date dressed in a tiny black miniskirt, a tight little jacket that barely contained her large boobs and a pair of ridiculously high, red stilettos.

I could hardly contain myself as I waited around the flat for their return, and it was 3 hours of torture before I heard the key turn in the

lock and the unmistakeable giggling of a rather tipsy Anna.

I had to hide up in the bedroom until she had got Mikey, the lucky guy who was on a promise, into the conservatory, and I'd know that it was safe to sneak down as soon as I saw the kitchen light go off.

I had to wait another half hour or so, and my cock was as stiff as a board as I imagined what was going on downstairs.

Finally, the light clicked off and I nearly fell down the stairs, so eager was I to see my babe getting screwed by another man.

Mikey, a fit-looking guy in his thirties, was sitting on the wicker sofa in the conservatory and Anna was standing before him holding a couple of drinks.

From his position he must have been able to see right up Anna's short little skirt, and as she bent forward to give him the drink, I knew he would be ogling her fantastic cleavage. He reached out and slid his hand up her thigh and didn't stop as he got to the hem of her skirt, lifting it towards her waist as she swayed sexily in front of him. At this point I saw that my slut Anna wasn't wearing any panties, and my prick throbbed as I watched his fingers stroke over the hairless mound of her cunt. I dragged out my dick and slowly masturbated as Anna parted her legs slightly so Mikey could push a finger into her hole. He buried first one and then a second up her, and Anna moaned with pleasure as she sank down onto the sofa beside him.

Putting down his drink, Mikey flicked open the buttons on Anna's jacket and released her big bare tits, gripping a handful of the soft flesh as he continued to wank her with his fingers. I could see the juices already coating the entrance to Anna's lovely pussy, and as he leant in to suck on my girlfriend's knockers, I shifted position so I could see more of the action. Anna unzipped the guy's flies and pulled out his knob. It was already rock hard and she gripped it in her fist and began to jerk the foreskin back and forth as Mikey slobbered all over her tits.

With her thighs still gaped wide in order to take Mikey's pumping cum-smeared fingers, Anna pushed her head down into his lap and began to slurp on his erect tool. From my vantage point I could actually watch her tongue tickling his purple knob and her lips then stretching as she slipped the whole thing towards the back of her throat. I nearly came as I leered at the bulge of another guy's cock in her cheek, and when she started slurping noisily and her spit dribbled in big strings from her mouth to his dick I so wanted to join in and stick my own prick up my woman's cunt.

Mikey was grunting loudly. I hoped he wasn't going to unload his cream in her mouth as I was eager for more. I wasn't disappointed. Anna stood up and turned to face me before straddling Mikey's lap and backing onto his twitching prick.

Anna stared directly at me as she manoeuvred her engorged twat onto his shaft, lowering her arse onto his crotch until his whole prick was wedged deep inside her. She smiled at me as Mikey reached from behind her and mauled her tits roughly while she lifted herself clear of his glistening cunt juice-splattered meat before dropping down onto it once more. Anna rubbed her clit as they fucked and climaxed breathlessly after a few seconds, her sticky cum oozing out from around Mikey's cock.

Dragging the sticky prick from her gash, Anna wanked it furiously and Mikey gripped her reddened tits hard as he started to squirt a load of spunk all over the place. I watched it splash all over her pussy and hand as she drained him of seed. I stayed for a few seconds and then sneaked back upstairs, desperately wanting my girlfriend's lover to go so I could fuck her brains out.

He left after about half an hour and I raced down to Anna, who was spreadeagled on the same sofa, stuffing her fanny with spunk-coated fingers. Suffice to say, my dick soon took their place and I hammered into her sopping gash for one of the horniest fucks of my life until I filled her with my own load of sperm.

Anna's already talking about reversing the roles and watching me fuck some tart while she watches, and I can hardly fucking wait!

Dean, Shoreham MF

Not so long ago my boyfriend, Kevin, cheated on me with my best friend Carol.

I was furious and bitter at the time, but once I'd had sex on the rebound with an older man, I realised that for years I'd been selling myself short. With Kevin, if we managed a shag on the weekend it was cause for me to celebrate. Between his mates and his football I was lucky to have sex twice a week.

Anyway, I was fucked if I was going to stay home and mope. My best friend had stolen my man, so there was nothing for it but to look for some action around town. I rang a few of the girls and we made a night of it. We started with a few drinks at our local before moving on up to the poshest bar in town.

It was a bit of a let down, however, as the place was mobbed with jumped-up professionals and businessmen who all seemed to have a trophy wife or girlfriend on their arm. But we had set out to have fun, so we started to order from the cocktail list. Some of the drinks were sickly sweet but very intoxicating, and by the time we had got halfway through the list we were well on our way to becoming well and truly smashed.

We also got a bit noisy and began to attract the attention of one of the larger groups of men. They paid for our next round of drinks and waved us over to join them. There wasn't one of them under 40 but we were out on the town, and if they were buying, we were drinking.

I hit it off with a good looking, friendly bloke called Tony, and although I would have passed him by if I was not on the rebound, he was certainly fit enough to serve my purposes.

One by one the others left and Tony invited me home.

He looked as though he was probably well hung, and I reckoned that if I had gone this far out of my way for a shag I might as well

see it through to the finish. I was fairly impressed by his big fancy motor, and when we drew up in front of a pricey-looking detached house in a good part of town, I knew I was onto a winner.

Tony fixed us drinks and told me where the bedroom was, and I went on ahead and up the stairs. He had one of the biggest beds I have ever seen, with silk sheets, and, I kid you not, a mirror on the ceiling. Giggling, I stripped off while looking up at myself in the mirror. It was very kinky and I got very horny looking at the reflection of my body and very soon I began touching myself and posing.

Pulling on my nipples, I dipped my fingers in my pussy and began to masturbate, taking in every detail of my body in the reflection overhead. I pulled my pussy lips apart and watched with growing pleasure as I teased my clit until it was raised and hard, before plunging my fingers in and out of my throbbing slit.

A shadow fell across the bed and I realised that Tony must have come upstairs quietly. Guiltily, I jumped, pulling my hand away from my pussy and blushing. Tony laughed at the expression on my face, and, glancing down at the tentpole in his trousers, he cheerfully asked me if there was anything he could help me with.

I was so turned on by the sight of his hardness that I rolled off the bed and began tugging at his belt to unfasten it. Tony quickly loosened his tie and almost ripped off his shirt in his effort to undress quickly. I pulled his trousers and underpants down, gulping as I saw the size of his massive dick. It was bigger and thicker than Kevin's pathetic member and I gave a little whoop as I felt it grow fully erect in my hands.

My fanny tightened and I began to drool over it. Fuck, I could hardly wait for the action to start, but first I wanted to taste it. I felt totally horny at the thought of being fucked by Tony like a dirty whore. I knew I only had to ask and he would go along with my desire for some fairly nasty and rough sex. He grinned like all his birthdays had come at once.

Revelling in the fact that I was acting like a horny little slut, I squatted down and started licking the head of Tony's cock.

I knew that guys enjoy watching girls give head so I made a particularly nasty show of it, licking my lips and holding eye contact while I sucked him and my hands snaked around his firm buttocks.

> "Dragging the sticky prick from her gash, Anna wanked it furiously and Mikey gripped her reddened tits hard as he started to squirt a load of spunk."

I even began to finger his ring as I gobbled his cock and this made him moan, letting me know that he was thoroughly enjoying my oral efforts.

Standing there with his long muscular legs apart he caught my hair and began thrusting his thick big, hard cock further inside my mouth.

I can give pretty good head and I knew instinctively what to do to make this as enjoyable as I could for Tony, tilting my head back and breathing through my nose, and relaxing my jaw to let him push his cock even further inside. Taking his full length to the back of my throat, I almost gagged as he thrust harder and harder, making my eyes water and my pussy drip and my whole body tingle with pleasure. Sucking harder, I gave some tender loving care to his balls, fondling them with both hands as I thought of how good it would be to feel them emptying inside my pussy.

As though reading my thoughts, Tony pulled his cock from between my lips, and, allowing me no more than a few seconds to catch my breath, he helped me up. Then, bending me over the edge of the bed, he gripped my waist and poked his hard cock balls-deep into me from behind.

It felt terrific, and I shoved my arse back against him, wriggling around as my pussy burned with pleasure. Dipping my back, I barked at him to fuck me hard, and, holding my head down with one hand, he did just that. His big thick cock rammed in and out of my sopping hole non-stop, pushing me further forward onto the bed with each increasingly aggressive thrust. I was wailing in excitement and gripping the quilt as Tony began to cum, his big pulsing cock jerking its load deep inside my red hot pussy as he held me in place, my body bucking with the force of my orgasms.

Lane was a bit cagey when we spoke to her. We told her that we were pretty sure that we'd seen her on *Game Of Thrones*, and she'd got her kit off for millions of people to see it all! "I don't know what you're talking about, and I definitely didn't see any flying dragons or frozen people!" Yeh, we're not sure about that! If GOT was anything to go by we're looking forward to your next TV venture! "Well, if the role suits me I'll do it, and if my clothes happen to drop off again for the right price I'm more than happy to sign on the dotted line! If you've got it you should flaunt it, right?"
